ELEONORA F. BURKE, Town Clerk

ANNUAL TOWN MEETING MARCH 9, 1959

At the Annual Town Meeting, duly called and held in the Town Hall, Southborough on March 9, 1959 at 7 o'clock, the following Articles were voted upon in legal manner. There was a quorum present (301 voters). Checkers. E. Maley, R. Corbett, M. Stivers, G. Barber.

The meeting was called to order at 7:30 by Moderator Everett Stephens.

ARTICLE 1. To hear the reports of the various Town Officers and Committees and take such action thereon, as the Town may vote.

Report of the School Housing Committee was read and it was

VOTED: That the High School Building Committee appointed under Article 16 of the Warrant for the Annual Town Meeting of March 14, 1949, and continued from time to time thereafter as the School Housing Committee, for the purpose of erecting and equipping the elementary school now in use by the Town, together with all additional members thereafter appointed to said committee, be discharged, its duties having been completed; and that the balance of $446.58 remaining in the appropriations made for such purpose be returned to the Town Treasury and that the same be applied toward retirement of the debt incurred for the construction of said school, and that said committee, individually and collectively, be publicly commended for the devotion to duty displayed by the members thereof and for the excellence of the services performed; and that the motion, as amended, be spread upon the records for the perusal of all future committees which may be called upon to perform services of a like nature.

Report of the Committee appointed under Article 60 of the Town Meeting of March 11, 1957 was read and a Motion that this committee be continued was defeated.

Report of the Town Manager Committee was read. A Motion that this Committee be continued and that it draft and submit to the Legislature a Town Manager Act for the

Town of Southborough was ruled defeated when the vote taken resulted in a 98 to 98 tie vote.

ARTICLE 2. To see if the Town will vote to fix, for the Calendar year the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 of the General Laws, which officers are as follows: One Moderator, one Town Clerk, one Treasurer, one Town Collector, three Selectmen, three Assessors, three members of the Board of Public Welfare, three members of the School Committee, three Cemetery Commissioners, three members of the Board of Health, three Water Commissioners, and one Tree Warden.

Moderator	$ 25.00	Welfare Board (3)	$150.00
Town Clerk	1,200.00	School Committee (3)	300.00
Treasurer	1,200.00	Cemetery Comm. (3)	75.00
Town Collector	1,300.00	Water Comm. (3)	150.00
Selectmen (3)	1,050.00	Tree Warden	25.00
Assessors (3)	1,350.00	Board of Health (3)	150.00

VOTED: That the salaries and compensation of all elective officers of the Town be fixed as appearing in Article 2 of this warrant.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of Sixty-nine Hundred and Seventy-five ($6,975.00) Dollars or such other sum of money as may be necessary, to pay the salaries of all elective Town Officers, or do or act thereon.

VOTED: That the sum of $6,975.00 be raised and appropriated to pay the salaries of all elected Town Officers.

ARTICLE 4. To see if the Town will vote to amend Section 21, Schedule B of the Salary Administration Plan, as follows:

Fire Department

Brush and Forest Fires

Call Chief	from $1.25 to $1.75 per hour
Call Captains and Lieutenants	from $1.15 to $1.65 per hour
Others	from $1.00 to $1.50 per hour

Effective January 1, 1959, or do or act anything in relation thereto.

VOTED UNANIMOUSLY that Section 20, Schedule A, and Section 21, Schedule B of the Salary Administration Plan, appearing as Article VIII A of Town By-Laws, be amended as follows:

By inserting in Section 20, Schedule A, "General Rule item "Fire Department", Sub-Division "Brush and Forest Fires", the words "Call Chief".

By inserting in Section 21, Schedule B opposite the words "Call Chief" as they will appear in Section 20, Schedule A, the figures and words "$1.75 Hour".

By inserting in Section 20, Schedule A in "General Group", item "Fire Department, sub-division "Brush and Forest Fires", before the words "Captains and Lieutenants" the word "Call";

By striking from said sub-division of Section 21 Schedule B opposite the words "Call Captains and Lieutenants" as they will appear in Section 20 Schedule A, the figures "$1.15" and by inserting in place thereof the figure "$1.65";

By striking from said sub-division of Section 21, Schedule B, opposite the words "Others", the figures "$1.00" and inserting in place thereof the figures "$1.50";
and all of said amendments be effective as of January 1, 1959.

ARTICLE 5. To see if the Town will vote to amend its By-Laws by deleting therefrom Article VI which provides as follows:

"Article VI, Section 1: The Board of Assessors shall in the year 1936 and every third year thereafter prepare, publish and cause to be printed an official list of the real and personal estates in the Town liable to taxation. Said list shall contain the names of the owners, arranged alphabetically, the location and brief description of the property and its value as determined by the Assessors, and the total tax assessed in the year in which said list is published. The

Town Clerk shall distribute printed copies of said list to those who request the same", or do or act anything in relation thereto.

This article was defeated by a show of hands vote as follows: To amend 97 — Not to amend: 125.

ARTICLE 6. To see what disposition shall be made of the Dog Money.

VOTED: That the revenue of $574.75 obtained from the licensing of dogs be used as part of the appropriation for the Fay Library.

ARTICLE 7. To see if the Town will vote to raise such sums of money as may be necessary for the Town's use, and make appropriation of the same, or do or act anything in relation thereto.

VOTED: to raise and appropriate the following sums of money:

Item	Purpose	Amount
1.	Advisory Committee	$ 160.00
2.	Selectmen	4,065.60
3.	Accounting	2,493.00

43.	Debt Retirement	48,241.00
44.	Town Grounds and Services	3,190.00

VOTED UNANIMOUSLY to raise and appropriate $602,-094.28 for the purpose of Items 1 to 44 inclusive as set forth above.

*Includes $574.75 revenue from licensing of dogs.

ARTICLE 8. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959 and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, of the General Laws as amended, and pass any vote or take any action in relation thereto.

VOTED UNANIMOUSLY in the words of the Article.

ARTICLE 9. To see if the Town will authorize the Board

of Assessors to use free cash in the Town Treasury, and if so, what sum, for the purpose of reducing the amount to be raised and assessed as taxes in 1959, or pass any vote relative thereto.

VOTED UNANIMOUSLY: That the sum of $50,000.00 in the Town Treasury be used by the Board of Assessors for the purpose of reducing the amount to be raised and assessed as taxes for 1959.

ARTICLE 10. To see if the Town will vote to transfer to Express and Deficiency Account, Road Machinery Fund and Cemetery Reserve Fund the unexpended balances of certain appropriations as follows:

To Excess and Deficiency:

Town Hall Repairs	$	5.01	
Police Cruiser		4.05	
Chapter 90 Construction		9.85	
Chapter 90 Maintenance		31.14	
Memorial Day—American Legion		12.95	
Memorial Day—V.F.W.		199.60	
Water Ext.—Middle Road		141.59	
Water Ext.—Oregon Road		399.12	
Water Department Generator		63.80	
School Housing Committee		436.61	
New Elementary School		446.58	
			$1,750.30

To Road Machinery Fund:

New Highway Pick Up Truck	$	9.37

To Cemetery Reserve Fund

Old Cemetery Maintenance	$	7.23

or do or act anything in relation thereto.

VOTED: That the sum of $1,303.72 be transferred to the Excess and Deficiency Account from unexpended balances of certain special appropriations as follows:

Town Hall Repairs	$	5.01
Police Cruiser		4.05

Chapter 90 Construction	9.85	
Chapter 90 Maintenance	31.14	
Memorial Day—American Legion	12.95	
Memorial Day—V.F.W.	199.60	
Water Extension—Middle Road	141.59	
Water Extension—Oregon Road	399.12	
Water Department Generator	63.80	
School Housing Committee	436.61	
		$1,303.72

and that the sum of $9.37 be transferred to the Road Machinery Account from the unexpended balances of the appropriation for new Highway truck, and that the sum of $7.23 be transferred to the Cemetery Reserve Account, from the unexpended balance of the appropriation for Old Cemetery Maintenance.

ARTICLE 11. To see if the Town will vote to accept a contribution from Saint Mark's School, if any, and determine what disposition shall be made of the same, if accepted, or do or act anything in relation thereto.

VOTED: That the Town accept a contribution from Saint Mark's School, if any and that the contribution be placed in the Town Treasury.

ARTICLE 12. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Forty-one Hundred Eighteen and 94/100 ($4,118.94) Dollars to pay a portion of the expense of the Worcester County Retirement System of which the Town is a member, and as required by the Worcester County Commissioners, or do or act anything in relation thereto.

VOTED UNANIMOUSLY in the words of the Article.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Two Hundred Fifty ($250.00) Dollars to defray expenses of the Memorial exercises on May 30, 1959 under the auspices of the Bagley-Fay Post No. 161, American Legion, or do or act anything in relation thereto.

VOTED UNANIMOUSLY in the words of the Article.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Two Hundred Fifty ($250.00) Dollars for the Memorial Day, May 30, 1959, observance exercises, under the auspices of the Choate Post No. 3276, Veterans of Foreign Wars, or do or act anything in relation thereto.

VOTED UNANIMOUSLY in the words of the Article.

ARTICLE 15. To see if the Town will vote to authorize the transfer and expenditure of the sum of Five Hundred ($500.00) Dollars from the Cemetery Reserve Fund, to be used for the purchase of Loam, the payment of labor, and the maintenance of the Old Burying Ground, or do or act anything in relation thereto.

VOTED UNANIMOUSLY in the words of the Article.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of One Hundred ($100.00) Dollars to be used for private tree work, or do or act anything in relation thereto.

VOTED UNANIMOUSLY in the words of the Article.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Nine Thousand ($9,000.00) Dollars to be used for Chapter 81 Highways, or do or act anything in relation thereto.

VOTED UNANIMOUSLY in the words of the Article.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Thirteen Thousand Two Hundred ($13,200.00) Dollars to be used for Chapter 81 Highways, or do or act anything in relation thereto.

VOTED: That the sum of $13,200 be transferred from

available funds in the treasury and that the same be appropriated for Chapter 81 Highways to meet the State's share of the cost of the work, and that upon receipt of reimbursement from the State that the same be placed in the Town Treasury.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Twenty-five Hundred (2,500.00) Dollars for Chapter 90 Construction, or do or act anything in relation thereto.

VOTED: That the sum of $2,500.00 be raised and appropriated for Chapter 90 Construction.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Seventy-five Hundred ($7,500.00) Dollars for Chapter 90 Construction, or do or act anything in relation thereto.

VOTED: That the sum of $7,500.00 be transferred from available funds in the Town Treasury and that the same be appropriated for Chapter 90 Construction to meet the State's Share of the cost of the work, and that upon receipt of reimbursement from the State that the same be placed in the Town Treasury.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Fifteen Hundred ($1,500.00) Dollars for Chapter 90 Maintenance, or do or act anything in relation thereto.

VOTED: That the sum of $1,500.00 be raised and appropriated for Chapter 90 Maintenance.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Three Thousand ($3,000.00) Dollars to be used for Chapter 90 Maintenance or do or act anything in relation thereto.

VOTED: That the sum of $3,000.00 be transferred from available funds in the Town Treasury and that the same be appropriated for Chapter 90 maintenance to meet the share of the State and County cost of the work and that upon receipt of reimbursement from the State and County, that the same be placed in the Town Treasury.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Four Thousand ($4,000.00) Dollars for highway equipment and maintenance, or do or act anything in relation thereto.

VOTED: That the sum of $2,000.00 be transferred from the Road Machinery Account, and that the sum of $2,000.00 be raised and appropriated by taxation and that this sum of $4,000.00 be placed in the Highway Equipment and Maintenance Account.

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Three Thousand One Hundred Fifty seven ($3,157.00) Dollars for the purpose of acquiring land or any interest therein for the purpose of a Town Dump and to authorize the Selectmen to enter into any such contracts, leases, and agreements as may be necessary for such purposes, and to enter into such other contracts as may be necessary for the maintenance of said dump, or do or act anything in relation thereto.

VOTED: That the sum of $3,157.00 be raised and appropriated for the purpose of acquiring land or any interest therein, for the purpose of a Town Dump, and that the Selectmen be authorized to enter into such contracts as may be necessary for such purposes, and to enter into such other contracts as may be necessary for the maintenance of said dump.

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Sixteen Hundred ($1,600.00) Dollars for the purchase of a new 1959, 4 door, station wagon type Police Cruiser, and to transfer thereto from the old Police Cruiser all gear and equipment which can be

used, and to authorize the Selectmen to sell, turn in, or otherwise dispose of the 1958 police cruiser now used by the Police Department, together with such equipment as cannot be used in the new cruiser to be purchased hereunder or do or act anything in relation thereto.

VOTED that the sum of $1,500.00 be raised and appropriated in accordance with the words of the above article and that the Board of Selectmen be instructed to request not less than five bids, each to be in accordance with specifications prepared by them; and that the bid of the lowest responsible bidder whose bid meets such specifications be accepted.

ARTICLE 26. To see if the Town will vote to raise and appropriate or transfer from available funds and appropriate the sum of Fifty-five Hundred ($5500.00) Dollars for the for the Highway Department and to authorize the Board of Selectmen to sell, turn in, or otherwise dispose of the 1954—5-ton tractor now used by the Highway Department, or do or act anything in relation thereto.

VOTED: That the sum of $15,500.00 be raised and appropriated for the purchase of a new tractor for the Highway Department and that a committee of three be appointed by the Moderator to investigate the type of tractor best suited to the needs of the Town and that upon completion of such investigation said committee, not later than April 15, 1959 file with the Board of Selectmen its written report and recommendations; that upon receipt of such report and recommendations, the Board of Selectmen request not less than five bids, each to be in accordance with specifications to be prepared by them, and that the bid of the lowest responsible bidder whose bid meets such specifications be accepted, and that the Board of Selectmen be authorized to sell, turn in or otherwise dispose of the 1954—5-ton tractor now used by the Highway Department.

ARTICLE 27. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Fifty-five Hundred ($5,500.00) Dollars for the purpose of hiring Consulting Engineers, or do or act anything in relation thereto.

VOTED: That the sum of $5,500.00 be raised and appro-

priated for the purpose of making available to the Board of Selectmen, Board of Health, and the Planning Board, adequate and suitable engineering services, and that this fund of $5,500.00 be allocated as follows: $2,000.00 for the Board of Health. $1,500.00 for the Planning Board and $2,000.00 for the Board of Selectmen.

ARTICLE 28. To see if the Town will vote to construct and/or establish adequate purification facilities for sewage and drainage from the area of Pleasant, Learned, Central and Cherry Streets in Fayville and appropriate money therefore, and to determine how said appropriation shall be raised, whether by taxation, or by transfer of available funds in the Town Treasury and/or borrowing or otherwise, or do anything in relation thereto.

VOTED to Dismiss Article 28.

ARTICLE 29. To see if the Town will vote for the purpose of constructing and/or establishing purification facilities for sewage and drainage from the area of Central, Pleasant, Learned and Cherry Street, to acquire by purchase or by gift, or by taking by right of eminent domain under the provisions of Chapter 79 of the General Laws, or otherwise, an interest in the land of Caesar J. and Frances Ghiringhelli, containing 10,000 square feet of land, more or less, and situated on the easterly side of Central Street in Fayville and bounded on the West by Central Street, one hundred feet, on the South by Learned Street, one hundred feet, on the east by land of said Ghiringhelli one hundred feet, and on the North by land of said Ghiringhelli, one hundred feet, and to appropriate money therefor and to determine how said appropriation shall be made, whether by taxation, or by transfer of available funds in the Treasury, and/or by borrowing or otherwise, or do or act anything in relation thereto.

VOTED to Dismiss Article 29.

ARTICLE 30. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate a sum of money to be used for the purpose of paying its share of the premiums which shall become due and payable by the Town during 1959 for insurance of its

employees and their dependents, in the event that the Town votes to accept Chapter 32B of the General Laws authorizing the Town to provide a plan of group insurance (life), group accidental death and dismemberment insurance and group general or blanket hospital, surgical and medical insurance for certain persons in the service of the Town or do or act anything in relation thereto.

VOTED Unanimously to dismiss Article 30.

ARTICLE 31. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Ninety-seven Thousand Nine Hundred Seventy and 62/100 ($97,970.62) Dollars to pay the assessment of the Northborough-Southborough Regional School District against the Town, or do or act anything in relation thereto.

VOTED: Unanimously to dismiss Article 31.

ARTICLE 32. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury and appropriate the sum of Two Hundred Eighty-eight ($288.00) Dollars to pay certain unpaid 1958 bills in the Vocational Education Account, or take any action relative thereto.

VOTED: Unanimously that the sum of $288.00 be raised and appropriated for the purpose of paying a 1958 overdraft of the Vocational Educational Account.

ARTICLE 33. To see if the Town will vote to take any action, or select a committee for the purpose of making a study of present and future school housing needs of the Town and to grant authority and appropriate any money for such purpose, or do or act anything in relation thereto.

VOTED: That a committee composed of Mr. Philip Beals, Mr. Raymond Hilliard, Mr. Harold Bauld, Mr. Henry D. Baldelli, Mr. Fred Quinn, and the three members of the School Committee be appointed to study present and future school housing needs of the Town and that the Committee be instructed to bring in it's recommendations not later than the next Annual Town Meeting.

ARTICLE 34. To see what action, if any, the Town will vote to take in connection with the Peters High School Building when the same is abandoned for high school purposes, or appoint a committee, or appropriate money to carry out such action as it shall vote to take or do or act anything in relation thereto.

VOTED: That a committee composed of Mr. Philip Beals, Mr. Raymond Hilliard, Mr. Harold Bauld, Mr. Henry Baldelli, Mr. Fred Quinn and the three members of the School Committee be appointed to study the problems of the future disposition of the Peters High School Building and to report its recommendations not later than the next Annual Town Meeting and that the committee be instructed to file its report and recommendations with the Board of Selectmen not later than December 1, 1959, for publication in the Annual Town Report of 1960; and that the committee be further instructed to prepare and insert in the Warrant for the Annual Town Meeting of March, 1960, such articles as may be necessary to carry out the matters contained in its report and recommendations.

ARTICLE 35. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Twelve Thousand Seven Hundred Twenty-seven ($12,727.00) Dollars for the purpose of installing and improving drainage facilities on Richards Road, and to acquire by eminent domain, purchase, gift or otherwise, such interest in privately owned land as may be necessary for the establishment of complete and efficient drainage facilities on Richards Road, or do or act anything in relation thereto.

VOTED: The sum of $12,727.00 for the purposes and in the words of the article.

ARTICLE 36. To hear the report of the Committee which was appointed by the Moderator under Article 12 of the Warrant for the Special Town Meeting of September 8, 1958, concerning John Street in the Fayville Section and to see what action the Town will vote to take in connection with the subject matter and recommendations contained in said report, and to appropriate or transfer from available funds and appropriate or to borrow and appropriate such

sums of monye as may be necessary to carry out any vote or votes, which may be taken in connection with such report, or recommendations.

VOTED: That the sum of $15,000.00 be raised and appropriated and that said appropriation be used on Mitchell Street for the purpose of

(1) Installing adequate drainage facilities wherever the same are needed;

(2) To improve and make adequate so much of the drainage facilities as are presently in Mitchell Street; and

(3) To repair the surface of Mitchell Street, and, if necessary to place the travelled part of the way in or near the center of the layout, to rebuild the same; all in accordance with the survey and recommendations of the engineering firm of Haley & Ward and in accordance with the report and recommendations of the committee appointed to report in connection with the same.

FURTHER VOTED: That if the Board of Selectmen shall determine that said appropriation cannot be used for work on Mitchell Street, that said appropriation be used on John Street for the purpose of

(1) Installing adequate drainage facilities wherever the same are needed;

(2) Improving and making adequate so much of the drainage facilities as are presently in John Street;

(3) Repairing the surface of John Street and, if necessary to place the travelled part of the way in or near the center of the layout, to rebuild the same; all in accordance with the survey and recommendations of Haley and Ward and of the said committee.

ARTICLE 37. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of One Thousand ($1,000.00) Dollars to be used to repair or replace Town property or equipment which has been destroyed or damaged as a result of

accident or casualty for which a third party is liable and for which the Town is entitled to be reimbursed for damages caused as a result of such accident or casualty, or do or act anything in relation thereto.

VOTED: That the sum of $1,000.00 be raised and appropriated and that the same be kept in a separate fund under the control and supervision of the Selectmen to be used for the purpose of making repairs or replacing town property or equipment which has been destroyed or damaged as a result of accident or other casualty for which some third party is liable, for which the town is entitled to be reimbursed for damages sustained as a result of such accident or casualty.

ARTICLE 38. To see if the Town will vote to amend Section III Part 2 of the Zoning By-Law of the Town of Southborough, establishing the boundaries of the Districts as shown on the map which is a part thereof and adopted by the Town of Southboro. On June 6, 1955 as amended, by changing the following described area from a Residential C District to a Business District:

Beginning at the junction of Southville Road and Route 85 in that section of Southborough, called Cordaville, and at land of Ralph E. and Virginia Giombetti; thence running in an easterly direction along the southerly side line of Southville Road to the easterly boundary of the land of Raffaele and Anna Giombetti; thence turning and running along said easterly boundary of land of Raffaele and Anna Giombetti to land of the Boston & Albany R.R. Co. and/or New York Central Railroad Co.; thence turning and running westerly along said Railroad Co. land to the easterly side line of Route 85; thence turning and running northerly along th eeasterly side line of Route 85 to the point of beginning; or pass any vote or take any action relative thereto.

VOTED: By a show of hands in the words of the article 142 in favor and 10 against.

ARTICLE 39. To see if the Town will vote to amend its Zoning By-Laws effective, June 6, 1955, by inserting therein in the Section III, Paragraph 2 thereof, after the words in the 42nd line of Paragraph 2, "from Willow Street be in a Business District", and after the words inserted

therein by vote taken under Article 4 of the Special Town Meeting of September 8, 1958, relating to the amendment changing a part of Turnpike Road from Residential to a Business District, the words, "and that the land bounded on the north by Main Street 5 rods, on the east by land of Schrader 8 rods, and on the south by land of Schrader 5 rods, on the west by land of Wentworth 8 rods, be in a Business District," or do or act anything in relation thereto.

VOTED: Unanimously in favor of Article 39 in the words of the article.

ARTICLE 40. To see if the Town will vote to amend Section III, of the Zoning By-Laws establishing the boundaries of the districts as shown on the map which is a part thereof, as amended, by changing the following described area from Residecce A District to Business District:

A certain parcel of land situated on the northerly side of Main Street and the Westerly side of School Street, obunded and described as follows;

Southerly by Main Street

Southeasterly by a curved line forming the junction of Main and School Street

Easterly by School Street

Northerly by land now or formerly of Gasparoni; and

Westerly by land now or formerly of Newton, or pass any voted or take any action relative thereto.

VOTED: Unanimously in favor of Article 40 in the words of the article.

ARTICLE 41. To see if the Town will vote to raise and appropriate or transfer from any of its available funds and appropriate the sum of Forty-four Hundred Twenty-eight and 32/100 ($4,428.32) Dollars for the purpose of extending the water main from the Westerly and of the present water main in Main Street, in a westerly direction in Main Street approximately five (500) hundred feet and to determine the terms and conditions under which said water main extension shall be made and to authorize and instruct the Board of Water Commissioners in connection with said

water main extension, or do or act anything in relation thereto.

VOTED: That the sum of $4,428.32 be transferred from available funds in the Town Treasury and that the same be appropriated for the purpose of extending the present water main westerly from the westerly end of the present water main in Main Street approximately Five Hundred (500) feet, and that the Board of Water Commissioners be instructed to extend said water main provided that the owners or owner of land abutting on that part of said Main Street in which said water main extension shall be laid, and connected thereto, shall agree in writing to pay in each year for a period of twenty-years as a minimum rate for water, whether or not water is actually used, a sum equal to five percent of the total original cost of construction of said water main extension, and provided further that as other premises abutting said part of Main Street shall be connected with said water main extension, the water commissioners shall thereon in each instance re-apportion such original cost for the remainder of such twenty year period among the owners of all land so connected.

ARTICLE 42. To see if the Town will vote to authorize the School Committee, by a majority vote of its members, to transfer to the Northborough-Southborough Regional School District, for nominal or other consideration, such books, supplies and equipment of the Town as in the judgment of the School Committee will not be necessary for use in the Southborough public school system after transfer of its high school program to the Algonquin Regional School, or do or act anything thereon.

VOTED: To dismiss Article 42.

ARTICLE 43. To see if the Town will vote to authorize or instruct the Board of Selectmen to establish an adequate filing system for plans, layouts and acceptances of public ways, deeds and easements to which the Town is a party, records of the various Town departments and for such purpose to purchase such books, files or other equipment as may be necessary for such purposes and to engage the services of such persons as said Board may deem advisable to accomplish such purpose and to raise and appropriate, or transfer from any of its available funds and appropriate

such sums of money as may be necessary therefor, or do or act anything in relation thereto.

VOTED: To dismiss Article 43.

ARTICLE 44. To see if the Town will vote to accept from the R & S Construction Company, Inc., or whomever may be the owner thereof, a certain parcel of land lying approximately 250 feet easterly of and approximately parallel with Atwood Street, and running southerly from Richards Road, approximately 1100 feet said parcel of land being 40 feet in width, and as shown as Leonard Drive, on a plan of land entitled, "Sub-division of land in Southborough, Massachusetts for Leonard Trust, Frank L. Elkin, Trustee, Scale 1 inch equals 60 feet, September 2, 1955, George D. White, Marlborough, Massachusetts, Surveyor", a copy of which plan is on file in the office of the Selectmen, or do or act anything in relation thereto.

VOTED: That the Town accept from the R & S Construction Co., Inc. and from such other as may be the owner thereof, the fee in a certain parcel of land lying approximately 250 feet easterly of and approximately parallel with Atwood Road, and running southerly from Richards Road approximately 1100 feet and 40 feet in width, and as shown as Leonard Drive on a plan of land entitled "Subdivision of land in Southborough, Massachusetts for Leonard Trust, Frank L. Elkin, Trustee, Scale 1 inch equals 60 feet, September 2, 1955. George D. White, Marlborough, Massachusetts, Surveyor, and as more particularly described in a deed from R & S Construction Co., Inc. to the Town, provided that this acceptance shall be subject to the conditions that such agreements, deeds, releases, easements and other instruments as may be required to vest in the Town complete title within the limits of said way as shown on said plan and to vest in the Town such other rights and easements as may be required in other land, shall have been delivered to the Town and approved by the Town Counsel.

ARTICE 45. To see if the Town will vote to accept a new street known as Leonard Drive, in Cordaville, as laid out by the Board of Selectmen, and in accordance with a plan now on file in the Town Clerk's Office, which proposed new street runs southerly from the sotuherly side of Richards Road approximately 1100 feet to the easterly terminus of Harris Drive, as described in said layout and as shown

on said plan, or do or act anything in relation thereto.

VOTED: That the Town vote to accept the new street running southerly from Richards Road and in accordance with a plan and layout now in the Town Clerk's office, which proposed street runs approximately 1100 feet in a southerly direction from the southerly side of Richards Road to be known as "Leonard Drive" and provided that this acceptance shall be subject to the conditions that all necessary bounds be placed in said way at no expense to the Town and provided further that this acceptance shall be subject to the conditions that such agreements, deeds, releases, easements or other instruments as may be required to vest in the Town complete title within the limits of said streets, and to vest in the Town such other rights and easements as may be required in other land, shall have been delivered to the Town and approved by the Town Counsel.

Meeting adjourned at 12:15 A.M., March 10, 1959

Attest:

ELEONORA F. BURKE

Town Clerk

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen organized March 19, 1959 with Henry B. Adams, Chairman, Philip W. Burke and Arthur J. St. Maurice.

Meetings were held every Wednesday evening and many other times during the year in connection with necessary duties of the Board.

The Selectmen report the following important actions in the year 1959:

Purchase of Oliver tractor for the Highway Department

Purchase of new cruiser for the Police Department

Unsuccessful in selling Fayville School due to the fact that no bid of $5,000.00 for the building and land and $150.00 for contents was received in accordance with the article voted in the Town Warrant.

The Town was honored by a visit from Lt. Col. and Mrs. Rouquette (Ret'd). He is chairman of the Urban District Council of Southborough, Kent, England. The Selectmen participated in welcoming them.

The Board attended a six-week seminar on Selectmen problems held at Clark University, Worcester.

From Chapter 718 money, one-half (½) mile of Walnut Hill Road was constructed. This allotment received from the Commonwealth was made to the Town for such a purpose.

Reconstruction and installing of drains on Richards Road from Atwood Road to Cordaville Road is being accomplished.

The Town yard behind the Central Fire Station has been enlarged and improved.

Office space in lower Town Hall has been increased by the installation of partitions, and interior painting has also improved the appearance of the Hall.

The Board has met on various occasions with boards and committees of the town and discussed problems of mutual interest.

The Board has met with state officials in connection with proposed Route No. 495 and has submitted an alternate route to be located farther west, which the Selectmen feel is for the best interest of the Town.

The Board also met with others concerned for the purpose of keeping the B. & A. train service for Southboro residents commuting to and from Boston.

Better street lighting has been installed along Main Street, the first step in a plan to install more adequate lighting all over town.

Total licenses and Zoning Permits issued for 1959 were 135 of which 37 were for new dwellings.

Total gasoline consumption for all departments for 1959 was 18, 051.5 gallons.

The heritage of our Town and the guardianship required to preserve it is vested in all voters of the Town. Final direction by your officers, to a large measure, is a result of this over-all interest in town matters.

Respecfully submitted,

HENRY B. ADAMS, Chairman
PHILIP W. BURKE
ARTHUR J. ST. MAURICE

Board of Selectmen

REPORT OF BOARD OF ASSESSORS

To the Honorable Board of Selectmen
Town of Southborough, Massachusetts

Gentlemen:

Herewith we submit our report for the year 1959.

This has been a very active year for this department; no doubt this has been a record year for new construction and the transfer of Real Estate.

The full board has had 78 meetings and approved applications for abatements on Motor Vehicle excise taxes covering 237 items.

Applications for abatements and exemptions for Real Estate, Poll and Personal Property were approved on 107 items.

From January first to October first we received notices of 171 Transfers of Real Estate and copies of Mortgages recorded were 174.

The Motor Vehicle excise appears to be more complicated each year as evident by the large number of adjustments and increases in our commitments to the Collector.

We appreciate the cooperation of all others who have been helpful during the year.

Respectfully submitted,

RALPH H. CLARK
WILLIAM N. DAVIS
ALTON B. SPURR

REPORT OF THE TOWN TREASURER

To the Board of Selectmen

Town of Southboro, Mass.

I hereby submit the annual report of the Town Treasurer for the year 1959.

Cash Balance January 1, 1959	$ 226,739.58
Receipts from all Sources	895,285.31
Total Available Funds	$1,122,024.89
Total Payments	902,009.36
Cash Balance December 31, 1959	$ 220,015.53

These funds are accounted for as follows:

Cash on Hand	$ 23,802.23
Marlboro Savings Bank	1,392.54
Worcester County Trust Co.	5,000.00
People's National Bank of Marlboro	10,528.05
First National Bank of Marlboro	179,292.71
	$ 220,015.53

Included in both the cash receipts and cash payments above is the amount of $75,000, which amount was borrowed effective June 22 for a period of four months to provide working capital. The loan was made this year with Worcester County Trust Co. at an annual rate of 2.15%. The cost to the Town was $524.05. It is unlikely that in 1960 we will be able to borrow for this purpose at rates as favorable as in 1959 and 1960.

No long term loans were negotiated during 1959.

All trust funds in the Treasurer's care are invested.

Respectively submitted,

J. M. CARMAN

Town Treasurer

TOWN OF SOUTHBOROUGH
PERSONNEL BOARD REPORT

In this year's Town Warrant will appear an Amendment to the Salary Administration Plan as follows:

1. Omit the former minimum step.
2. Use former step 2 as the new minimum step or entering step.
3. Add a new maximum step.
4. Raise the Patrolmen to Group 29.
5. Create a new Group 55 and raise the Heavy Epuipment & Truck Operator and Water Crew Man A.
6. Raise Group 58 to Group 57 — this Group includes the Cemetery Man, Laborer and Truck drivers, Tree Warden and Moth Superintendent, and Water Crew Man B.

Surveys taken of 90 towns our size in the State show that our town has lagged behind in the three groups mentioned above.

Some attention in future years should be given to a consideration of overtime payment for our hourly employees.

Many towns are adopting the 40 hour week; our town's usual hours are 47½ or 48 per week.

Heads of Departments should include in their budgets under labor, a fund which would cover the sick leave benefit, vacations, and the paid holidays which are covered by the Salary Plan.

Again the Board reminds the Town Officials to submit copies of labor budgets in advance for approval. In these budgets, as rates of pay are for incumbents only, the names of employees must be listed and the recommended raises, if any, placed separately.

ALEXANDER J. SLACK, Chairman

J. RUSSELL WAKELIN

DAVID W. ALDRICH, Clerk

REPORT OF SEALER OF WEIGHTS AND MEASURES

1959

To the Honorable Board of Selectmen,
Town of Southborough, Massachusetts

Cases of Rabies	0

Respectfully submitted,

WILLIAM H. ONTHANK

Animal Inspector

REPORT OF THE BOARD OF PUBLIC WELFARE AND BUREAU OF OLD AGE ASSISTANCE

To the Honorable Board of Selectmen,

Town of Southborough, Massachusetts.

The Board of Public Welfare and Bureau of Old Age Assistance submits the following report of its work for the past year ending on December 31, 1959.

General Relief

Twenty-five persons were aided during 1959, with six new applications. The Town was billed for three cases aided elsewhere, representing five persons. We received full reimbursement from the State in three cases and from other Towns and Cities, for three more cases.

Aid to Dependent Children

During the year 1959, aid was rendered to twenty-three persons in this category of assistance. Two new cases were added. There is part reimbursement from the Federal and State Governments for this.

Disability Assistance

The Town of Southborough has granted aid to two persons who had been approved by the State and Medical Board for this category of assistance. Both Federal and State Governments reimburse the Town for a part of its expenditures.

Old Age Assistance

Thirty-nine persons were assisted during the year 1959.

Of the thirty-nine persons aided, eight came from other Towns for whom Southborough is fully reimbursed; for nine others, the State assumes full financial responsibility. Two former Southborough residents were aided in other communities and the proportionate share of their support was charged to this Town. Reimbursement to the Town for a part of these expenditures is received regularly from the Federal and State Governments.

There were seven new applications for Old Age Assistance, four of which were approved and three denied. Four accounts were closed due to death, to increased resources, or transfer to other Towns.

One Old Age Assistance Real Estate Lien was released by payment to the Town, of a total of $1,721.81.

We feel that the following figures may be of interest to the taxpayers.

Expenditures for all four categories:

For Aid to or in behalf of recipients:	$58,479.78
For Administration	5,530.74
Total	$64,010.52
Receipts for all four categories:	
Federal Reimbursement for Aid (including balance for 1958)	$37,097.46
Federal reimbusement for Administration (including balance for 1958)	3,363.18
Total	$40,460.64

The total of unexpendable receipts from State for aid rendered, from State Meal Tax and from other Towns and Cities will be found in the Accountant's report.

Again we wish to acknowledge the helpful cooperation and response on the part of other Town Departments, local organizations and individuals in assisting the less fortunate.

The Board regrets deeply the loss of one of its members, Mr. Edward W. Borst, whose services had been so val-

uable over the years. He will long be remembered as being devoted to promoting the best interests of the Town of Southborough. The vacancy so caused, was filled by the Board of Selectmen and the Board of Public Welfare. The present member is Mr. Austin E. Kelly.

ANNETTE H. DEER, Chairman
RUTH W. HARRINGTON
AUSTIN E. KELLY

J. M. Smith, Director.

REPORT OF THE BOARD OF HEALTH

To the Honorable Board of Selectmen
Town of Southborough, Massachusetts
Gentlemen:

The Board of Health submits herewith a report of its work in 1959.

Polio clinics were held on June 6th and July 11th. The Well-Child Conference was held on May 27th. Booster injections of triple vaccine are available by this means annually to pre-school children. Candidates for the first grade are also offered Smallpox vaccination.

The Board has spent much time on the problems of drainage and sewerage incident to new building.

Restaurant inspections have been made as in former years and the Board reports that all restaurants are conforming to state regulations.

Communicable diseases reported for 1959 numbered 70. Licenses issued in 1959 amounted to 30.

Respectfully submitted,

For The Board of Health

DR. TIMOTHY P. STONE, M.D. Chairman
MRS. RUTH GOODNOW, Secretary
MR. JOHN BARTOLINI

REPORT OF DEPARTMENT OF VETERANS' SERVICES

December 2, 1960

Honorable Board of Selectmen
Southborough, Massachusetts

Gentlemen:

In 1959 expenditures for Veterans' Benefits under Chapter 115, amounted to approximately $5,316.00. Of this approximately $4,300.00 will be re-imbursed by the State.

The unexpended budget for 1959 is approximately $250.00.

During the past year all applications for Veterans' Benefits and all other work in conjunction with the Department of Veterans' Services has been duly processed and taken care of.

I wish at this time to thank the Board of Selectmen, Doctors and other Departments for their kindness and consideration during the past year.

Respectfully yours,

JOSEPH K. MURPHY
Veterans' Agent

REPORT OF THE CEMETERY COMMISSIONERS

To the Honorable Board of Selectmen
Town of Southboro,

Gentlemen:

The Board of Cemetery Commissioners submit their annual report. The work of caring for the Cemetery was carried out in the usual manner.

Regular meetings have been held and various trust funds have been invested as the occasion required.

A survey has been conducted by the Cemetery commissioners and the results show that more land must be made available not later than the spring of 1963. Therefor we are submitting an article which if passed will allow us to take a study of available sites. It is imperative that action be taken on this article this year.

The report of receipts and expenditures will be found in the report of the Town Accountant.

Respectfully submitted,

THOMAS E. YOUNG
LAWRENCE R. HAMLIN
CHARLES E. CORBETT

REPORT OF THE POLICE DEPARTMENT FOR 1959

To the Honorable Board of Selectmen
Southborough, Massachusetts

Gentlemen:

I am herewith submitting the following Annual Report of the Police Department for 1959:—

Arrests and Summons Issued

Crimes against the person	1
Crimes against the property	3
Larceny of Motor Vehicle	1
Using Motor Vehicle without authority	2
Crimes against Public Order	23
Non-support	1
Delinquency	0
Driving Motor Vehicle to Endanger Life	4
Driving Motor Vehicle while Intoxicated	5
Drunkenness	6
Motor Vehicle Laws, violating	678
Traffice Rules, violating	342
Persons locked up in Westboro	12
Deserters from Army and Navy	2

Motor Vehicle Violations

Tickets issued for Motor Vehicle Violations	1020
Violations reported to Registry of Motor Vehicles for action	342
Licenses suspended by Registry for violations within the State	33
Right to operate in Mass. suspended	2
Registrations revoked by Registry	2
Licenses revoked by Registry	4
Defective equipment tags	300
Fatal accidents—Pedestrians	0
Fatal accidents—Motor Vehicles	1

Minor accidents investigated	15
Accidents with Property Damage of $200 or over	35

Miscellaneous

Breaks	6
Attempted breaks	3
Breaks solved	2
Thefts	13
Thefts solved	4
Robbery (Holdup)	0
Vandalism	7
Vandalism solved	1
Cars stolen	2
Attempted car theft	4
Stolen cars recovered	4
Persons apprehended in stolen vehicles	1
Business establishments found open	57
Bicycle Thefts	3
Bicycles recovered	3
Missing persons	4
Summons served	51
Messages delivered	10
Emergency trips to Doctor and Hospitals	50
Emergency trips where Police used Resusicitator	4
Truants returned to school	1
Runaways apprehended	6
Patients committeed to State Hospital	5
Lyman School boys apprehended	0
Prowlers	13
Reporting fires to Fire Department	6
Gun permits issued	14
Permits issued for Gun Dealers	3
Permits issued to purchase guns	0
Permits issued for work on Lord's Day and Legal Holidays	8
Zoning Law violations	2
Dog bites	7
Complaints investigated	100
Sudden deaths investigated	2
Telephone calls (information only)	approx. 1400
Transfers of Motor Vehicles	134
Mileage on Police Cruiser	44,000

During the year 1959, the Police Department increased its effort in Motor Vehicle violations and as a result the accidents have decreased for the third straight year. Income to the Town from fines have increased more than 100%. For the second straight year the Compulsory Insurance has dropped. We had our first fatal accident in three (3) years and three (3) months. This accident is still pending at the Registry as to whether it will be charged to the Town. Crime appears to have declined in 1959.

Public service is on the increase and with the continued growth of the Town, the Police Department will have to grow too. We will not always be able to rely on the continued use of the Marlboro Radio and telephone facilities. At the present time it costs the Town $20.00 for the use of this use. Within a few years, the police will need its own base station. We will need a man at the desk 24 hours a day to run the radio and station. This is a problem which is growing every year. Its something to think about for the future.

Respectfully submitted,

FRANCIS J. MATTIOLI

Chief of Police

REPORT OF THE TREE WARDEN

To the Honorable Board of Selectmen
Town of Southborough, Massachusetts

Gentlemen:

I hereby submit my report for the year ending December 31, 1959.

Many Maple and Oak trees died during the past year, due partly to road construction and various fungus diseases.

Most of these trees have either been topped or completely removed as a matter of public safety.

Copper sulfate spray was used on a number of Oak trees to prevent the spread of a disease known as anthracnose which causes the leaves to turn brown and fall off. This spray has proven very satisfactory.

It was necessary to remove many low hanging branches along the highway in order to prevent them from hitting the tops of high trucks.

Respectfully submitted,

WILLIAM H. ONTHANK
Tree Warden

REPORT OF THE SUPERINTENDENT OF INSECT AND DISEASE CONTROL

To the Honorable Board of Selectmen
Town of Southborough, Massachusetts

Gentlemen:

I hereby submit my report for the year ending December 31, 1959. Dutch Elm disease continues its deadly progress. A total of ninety-one dead elms were cut and removed this year, an increase of about 30% over 1958.

Poison Ivy spray was applied on the sides of all roads wherever it was necessary. It has been pretty well exterminated on most of the highways. However, more spraying will very likely be needed this coming year.

I was fortunate in having the assistance of Howard Truesdale where high tree climbing and topping was necessary.

I wish to thank the Board of Selectmen for their co-operation and their secretary for her assistance.

Respectfully submitted,

WILLIAM H. ONTHANK

Superintendent

REPORT OF THE TRUSTEES OF FAY LIBRARY 1959

The Trustees of Fay Library met eleven times during the year 1959.

It is gratifying to note that the circulation of books rose during this year. Despite the fact that the High School students make use of the excellent Library in the new Regional School, more juvenile books, both fiction and non-fiction, have been read.

The Trustees wish to thank Mr. and Mrs. Herbert Harrington for their gift of shells collected by the Reverend Robert Cheney. These shells were beautifully arranged by them and have been catalogued. They were given in memory of Reverend Mr. Cheney and are on display in the Main Reading room.

Other additions to the Library are a letter from the Urban District Council of Southborough, Kent, England and a picture of the Armorial Bearings of the Town. These were presented to the Board of Selectmen by Lt. Col. R. H. Rouquette, chairman of the Council, in memory of the aid and comfort given his town by Southborough, Massachusetts during World War II. They have been framed and will be hung in the Library.

The Trustees are grateful to all those who donated books during the past year.

The roof of the vestibule has been repaired and the basement painted and the windows on the ground floor mended.

For four successive Saturdays, beginning January 9th a story hour will be held in the Library from 10 A.M. to 11 A.M. under the auspices of the Girl Scouts.

The Libraries of Southborough and Fayville fill an

important role in this community and the Trustees are sure that they will continue to do so.

Respectfully submitted,

HARRISON REINKE, Chairman
HAZEL F. BURKE
EMMY LOU PRIEST
ANNE S. BRADLEY

JAMES HIGGISTON

REPORT OF THE FIRE CHIEF AND FOREST WARDEN

To the Honorable Board of Selectmen:

Gentlemen:

I hereby present the annual report of the Fire Chief and the Forest Warden:

During the year there were 92 alarms as follows:

Brush and Grass	45
Trucks and Autos	16
Chimney	4
Electric	2
Building	12
Dump	5
Dogs Rescued	1
Drowning	1
Needless	2
Still Alarm	1
Out of Town	2
False	2

During the year there were 17 meetings and 9 drills. Respectfully submitted,

Respectfully submitted,

JOHN W. BOLAND
Chief of the Fire Dept.
Forest Warden

REPORT OF CIVIL DEFENSE DIRECTOR

To the Honorable Board of Selectmen
Town of Southborough, Massachusetts

Gentlemen:

During 1959, no declared emergency arose which required the services of our organization. We did, however, participate in all practice alerts and radio exercises held during the year.

The twenty-one Auxiliary Police Officers appointed this year, together with other civil defense personnel, attended various classes of instructions and I am happy to report that all twenty-one members of this organization who took the first-aid course were awarded certificates.

The first-aid instructions received by one of the auxiliary officers, Mr. Asa Gray, enabled him to render valuable assistance at an automobile accident he encountered this past summer. Police Chief Knowles of Eastham, Massachusetts, congratulated Mr. Gray for the part he played in relieving the suffering of the injured persons.

This opportunity is taken to thank all Departments and citizens for the co-operation and support accorded this organization.

Respectfully submitted,

HOMER L. BATES
Civil Defense Director

REPORT OF THE MODERATOR

January 5, 1960

To the Honorable Board of Selectmen:

Two reappointments were made to the Advisory Committee, Ralph L. Dyer and Wallace J. Dunnet, each term to expire in March 1962.

Alexander J. Slack was reappointed to another term on the Personnel Board, his term to expire in May 1961.

Both the Selectmen and the Personnel Board have been urged by the Moderator to submit warrant articles to change the term of office of members of the Personnel Board so that terms will expire in March instead of May, thus making for uniformity in expiration time of all town elected officers and appointed committees.

At the direction of the Annual Town Meeting the following committee of three was appointed "to investigate the type tractor best suited to the needs of the Town . . ."

PHILIP G. MAUCH, Chairman

GORDON JOHNSON

LEO J. PESSINI

The Moderator especially wishes to make known his genuine appreciation of the unusually splendid cooperation of those who attended the March 1959 Annual Town Meeting which made it possible to complete the warrant in one night. It is hoped that the same spirit of participation will be evident at the March 1960 meeting; and if by any chance the warrant should not be completed in one night, the voters in the interest of preserving good, democratic government will return to complete the warrant whenever the adjournment might be called.

Respectfully submitted,

EVERETT W. STEPHENS, Town Moderator

REPORT OF SLAUGHTERING INSPECTOR

To the Honorable Board of Selectmen:
Town of Southborough, Massachusetts

Gentlement:

I hereby submit my annual report for the year ending December 31, 1959.

Number of hogs slaughtered and inspected	74
Number of cattle slaughtered and inspected	31
Number of lambs slaughtered and inspected	29
Number of calves slaughtered and inspected	6

Respectfully submitted,

SERENO W. JOHNSON

Inspector of Slaughtering

REPORT OF THE PLANNING BOARD FOR 1959

To the Honorable Board of Selectmen
Southborough, Massachusetts

Gentlemen:

35 Plans not requiring approval under the Subdivision Control Law were submitted to the Board and were signed.

Several plans under the Subdivision Control Law were submitted, but none received final approval during this year.

A storm drainage survey for the Town was completed by Whitman & Howard, Inc. and should prove of great value. The initial cost of this survey is to be paid by the Federal Government.

Respectfully submitted,

PHILIP C. BEALS

CAMERON BRADLEY

NAPOLEON BARBER

Southboro Planning Board

TOWN COUNSEL'S REPORT

To the Board of Selectmen and

The Citizens of the Town of Southboro:

Expanding population trends in rural communities, and the new legislation enacted each year to cope with the problems created thereby have complicated municipal government in small towns almost beyond belief. Almost every day town counsel is called upon to advise an officer or board; or to prepare legislation or to attend legislative hearings; to prepare contracts or to pass upon contracts already prepared; to discuss and advise upon proposed new rules and regulations, or upon proposed amendments to old ones; to attend at court to prosecute or defend some litigation in which the town has become involved; or to attend meetings or hearings held by or before town officers or boards or both.

While subdivision control laws and zoning laws or the rules and regulations adopted under them are the chief purposes for which legal assistance is sought, additional municipal utilities and services required to meet the needs of expansion create many serious legal problems, also. It seems likely that for the foreseeable future, at least, there will be no diminution in the extent of the services required of Town Counsel. In fact, the reverse seems to be a certainty.

Disposition of Litigation Pending January 1, 1959

Peiper vs. Borst et al (Members of the Planning Board)

Peiper vs. Kelly (Town Clerk)

These two suits were brought in the Worcester Superior

Court, the first in the form of an appeal from the decision of the Planning Board rejecting Mr. Peiper's application for approval of a subdivision plan submitted by him, and the second was brought against the Town Clerk to compel him to issue a certificate stating that the Planning Board's failure to hold a public hearing on his plan constituted approval of it as a matter of law. The suits were brought in August, 1958, and after many days' attendance at Court Mr. Justice Meagher of the Superior Court, on March 10, 1959, decided them in favor of the Town and ordered both suits dismissed.

Mr. Peiper appealed both cases to the Supreme Judicial Court where they were reheard on November 2, 1959. On December 18, 1959 the Supreme Judicial Court held in the case against the Planning Board, that the Board could not delay action on Mr. Peiper's plan until a drainage survey had been completed, and directed the Planning Board to hold a public hearing on his application for approval of his subdivision plan.

In the case against the Town Clerk, the Supreme Judicial Court ordered Mr. Peiper's suit dismissed.

Town of Southboro vs. Lee

This was a Bill in Equity brought by the Town in the Worcester Superior Court on January 21, 1958, against Thomas J. Lee of Watertown to restrain him from removing top soil, sub soil and gravel from about forty-five acres of land owned by him and bounded on the west by Parkerville Road, on the east by Middle Road, on the north by the Sudbury Reservoir, and on the south by land of Walter A. Hutt and others. The bill alleged that Mr. Lee was excavating materials from his land without a permit and in violation of the zoning laws. Shortly after suit was commenced it developed that Mr. Lee had a valid permit from a previous Planning Board. (The Town Counsel first learned of this permit when it was presented at the trial of the suit. Apparently, no record had been made of the permit since the present Planning Board did not know ot it, either.)

The suit was tried to a master who filed his report in the Superior Court on May 6, 1958. While the master's report favored the Town, a great many conferences were held

between Town Counsel and attorneys for Mr. Lee in an effort to compromise the suit to the satisfaction of both parties without further extended litigation. Several joint meetings were also held between the Board of Selectmen and all parties involved, but no satisfactory settlement could be reached. Consequently, Town Counsel pressed for final Court action as a result of which the Court confirmed the master's report on June 2, 1959, and on January 4, 1960, entered a final judgment for the Town restraining Mr. Lee, or anyone on his behalf, from any further excavation of his land in violation of the zoning laws and without a new permit from the Board of Selectmen.

Whether or not there will be an appeal to the Supreme Judicial Court is unknown at this time.

Litigation Commenced and Concluded in 1959

R & S Construction Co. vs. Beals et al (Southboro Planning Board)

This suit was a bill in equity brought in August in the Worcester Superior Court against the members of the Planning Board and was in the form of an appeal from a decision of that Board rejecting an application for approval of a subdivision plan of land owned by the complainant. The land is located on the northerly side of Flagg Road and on the westerly side of Deerfoot Road.

After several court hearings and several conferences between the parties, the Court entered judgment for the Town and ordered the bill of complaint dismissed.

Commonwealth vs. ——————.

This was a criminal complaint brought in the Westboro District Court against an individual for violation of Article IXA of the Town By-Laws (prohibiting the removal of topsoil, etc., without a permit from the Board of Selectmen). The defendant was found guilty and on recommendation of Town Counsel, the case was placed on file.

Litigation Still Pending

Land damage suits

In May, 1959 Counsel for the County of Worcester notified the Town that two suits had been brought in the Worcester County Superior Court against the County to recover damages sustained by two owners of land which had been taken by the County in eminent domain proceedings for the purpose of improving a "Chapter 81" highway. Since Chapter 81 of the General Laws requires the town to pay damages sustained as a result of any such taking, Town Counsel has assumed the defense of these suits which are still pending. It seems very unlikely that these suits will result in judgments against the town.

Liquor License

On December 29, 1959 a suit was brought in the Suffolk Superior Court against the members of the Board of Selectmen, and possibly, other defendants. This suit relates to action taken by the Board of Selectmen in connection with a liquor license, but what type of suit it is or what other persons or boards are parties to it will not be known until a later date.

Tort Suits

Two suits brought against the Town in 1955 to recover $8,000 for personal injuries and property damage sustained as a result of an alleged defect in a highway are still pending in Middlesex Superior Court.

Conclusions

While several matters within the present knowledge of Town Counsel may well ripen into future law suits, it is impossible to forecast at this time what occurrances may involve the town in litigations during 1960. It is certain however, that for the foreseeable future, building developments will remain a constant source of potential legal difficulties.

Respectfully submitted,
ALFRED W. HOWES
Town Counsel

TOWN OF SOUTHBOROUGH
BOARD OF WATER COMMISSIONERS

To the Honorable Board of Selectmen
Town of Southborough, Massachusetts

Gentlemen:

Herewith is presented the Thirtieth Annual Report of the Board of Water Commissioners for the year ending December 31, 1959. Eleven Monthly Meetings and five Special Meetings were held during the year.

At a Special Town Meeting held September 8, 1958, an article was voted to accept from the Housing and Home Finance Agency, Community Facilities Administration, the sum of Four Thousand ($4,000.00) Dollars, pursuant to the provisions of Public Law 560 of the 83rd. Congress, and set up same in a separate Planning Account, to finance the cost of Plan Preparation, to consist of preliminary planning including necessary surveys, test-holes, engineering studies and cost estimates for the construction of connection to the Boston Metropolitan District Aqueduct, pumping stations, storage facilities, supply mains and additions to the distributing system.

Federal funds in the amount of Four Thousand ($4,000.00) Dollars, have been received from the Federal Government, and have been set up in a Special Account, under Public Works Plan and Preparation Account, by the Town Treasurer.

On September 29, 1958, an agreement was entered into with Whitman & Howard, Inc., Engineers, to make this survey.

The Water Works Survey on improvements to the Water System of the Town of Southborough, has been completed and copies of the same, including a map showing proposed improvements has been delivered to every house in the Town.

The Board of Water Commissioners propose to have public hearings to discuss the survey before any Town Meeting is held, or any final recommendations are made by the Commissioners.

CONSUMPTION OF WATER

Month	Gallons Pumped	Averaged Daily Consumption
January	6,756,000	217,935
February	6,576,000	234,857
March	6,489,000	209,322
April	6,860,000	228,666
May	7,817,000	252,161
June	10,215,000	340,500
July	8,702,000	248,451

September	8,790,000	293,000
October	7,928,000	255,741
November	7,949,000	264,966
December	7,782,000	251,032

Annual Consumption of Water ... 95,391,000 Gallons

Daily Consumption of Water ..... 261,369 Gallons

MAXIMUM CONSUMPTION OF WATER

Week	Amt. in Gals.	Day	Amt. in Gals.
June 11 to 14	3,104,000	June 11th	508,000

DISTRIBUTION SYSTEM

Added during year:
Mains — 2,392 feet
Services — 5,711.2 feet

Total now in use:

Mains — 28 miles — 4,419 feet
Services — 12 miles 3,585.0 feet

Number of Hydrants in use — 202
Added during the year — 6

Number of Gate Valves — 462
Added during the year — 18

Total Number of Services — 938
Added during the year — 77

A total of 77 services were installed as follows:—

Developments — 59
Other Services — 18

Services installed by the Water Department used the following amount of pipe:—

Developments — 5,313.6

Other Services —

1,325.8 feet of ¾" copper pipe
273.0 feet of 1¼" copper pipe
100.0 feet of 1½" copper pipe

WATER MAIN INSTALLATIONS

2,392 feet of water mains were installed on Richards Road, Moulton Road and Harris Drive.

4 leaks were repaired during the year.
1 broken hydrant was repaired.

The general maintenance of the water system has been carried out as in the past.

REPORT OF THE HIGHWAY SUPERINTENDENT

To the Honorable Board of Selectmen,
Town of Southborough, Massachusetts

Gentlemen:

I hereby submit my annual report for the year ending December 31, 1959.

All Chapter 81 work for 1959 was completed during the year.

The Contract on Chapter 90 Construction on Framingham Road was started on December 23, 1959.

The Contract on Chapter 90 Maintenance was completed on November 30, 1959.

Drainage was put in on: Walnut Hill Road, Love Lane, Breakneck Hill Road, Richards Road, Mitchell Street. A total of two thousand eight hundred and sixty (2,860) feet. Also nineteen (19) catch basins and fourteen (14) manholes were installed on these streets.

Richards Road is being rebuilt and widened to twenty (20) feet.

Work on Walnut Hill Road, Chapter 718 Construction, was completed September 16, 1959.

Work has been started on Hill Side Avenue.

A new OL 200 Oliver front-end Loader Tractor has been purchased and put into use this year.

A new 11 foot Towlok Snow Plow has been purchased and placed in service.

The reports of receipts and expenditures of the Highway Department will be found in the Town Accountant's Report.

At this time I wish to thank the Board of Selectmen, members of the Highway Department and all other Town Departments for their co-operation during the past year.

Respectfully submitted,

LEO J. PESSINI
Highway Superintendent

REPORT OF AN AUDIT OF THE ACCOUNTS OF THE TOWN OF SOUTHBOROUGH FOR THE PERIOD FROM SEPTEMBER 10, 1957 TO OCTOBER 19,1959

Made in Accordance with the Proxisions of
Chapter 44, General Laws

To the Board ofSelectmen
Mr. Henry B. Adams, Chairman
Southborough, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Southborough for the period from September 10, 1957 to October 19, 1959, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,

HERMAN B. DINE

Director of Accounts

REPORT OF THE TOWN ACCOUNTANT
Year Ending December 31, 1959

To the Honorable Board of Selectmen,
Southboro, Mass.

Gentlemen:

I respectively submit the annual report of financial operations of the town as of December 31, 1959.

Attached hereto are the following statements and schedules:

Balance sheet
Debt statement
Schedule of receipts
Expenditures and balances
Trust Funds
Salary and wage schedule

Unexpended balances of appropriations totaling $5,731.46 were transferred to Excess and Deficiency.

After deducting outstanding taxes of $32,597.74 and a reimbursement of $156.00 due from the County for the destruction of dogs, the amount of free cash as of January 1, 1960 is $90,685.12 which amount has been certified by the Massachusetts Department of Corporation and Taxation, Bureau of Accounts. Such amount compares with a balance of $150,885.74 at January 1, 1959. However, in the year 1959 the Assessors used $50,000. to reduce the amount to be raised by taxation as authorized by the town in article No. 9 at the annual town meeting held in March 1959. This is in addition to the amount of $255,796.17 of estimated receipts used by the Assessors to reduce the amount to be raised by taxation.

With the ever increasing cost of operations and furnishing necessary services, it would appear that the town must make every effort to invite small business into the town to relieve the tax burden of the home owners.

I extend to you the Board of Selectmen, Town Officers and Department heads my sincere appreciation for the cooperation given me during the year.

Respectively yours,

FRED BAKER

Town Accountant.

Mrs. Betty Davis Tel. Marlboro HUntley 5-3052

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Southborough:

Your School Committee submits its annual progress report for the year 1959.

TEACHERS' SALARY INCREASE

The minimum salary for teachers has been raised from $4,000 to $4,100 by a majority vote of your Committee who felt that this increase was necessary to obtain qualified teachers and to keep our present teachers. This increase will be effective on September 1, 1960.

Chapter 602 of the Acts of 1959 raised the minimum teachers' salary from $3,600 to $4,000 effective September 1, 1960. There is a bill (H443) pending in the Legislature which calls for a minimum salary for teachers of $5,000, which, if passed, would be effective on September 1, 1961.

Our teachers are on a salary schedule which is always published with the school report. This does not give a detailed report as to the number of teachers in each salary bracket.

The number of teachers in each salary bracket for the fiscal year 1959-1960 are:

4 @ $4150:1 @ $4900:1 @ $4300:1 @ $5000:4 @ $4450:
1 @ $5100:2 @ $4600:6 @ $5150:1 @ $4700:1 @ $5350:

ADULT EDUCATION

For the fourth successive year, your School Committee is sponsoring an adult education program. Because of the exceptional facilities available at the Algonquin Regional High School, the program is being held there.

ACCELERATED PROGRAM

Again we are continuing an accelerated program in the Junior High School, where the students are grouped according to their ability and where they have an opportunity to make the best possible use of their talents. This will prepare the students for the more rigorous schedule of the Algonquin Regional High School.

JUNIOR HIGH SCHOOL GRADUATION

The School Committee has authorized graduation exercises for our Junior High School. This will mark the termination of their studies in our local schools.

SCHOOL HOUSING NEEDS

The School Committee respectfully calls your attention to the report of the School Housing Study Committee and urges that prompt action be taken on their recommendations.

EDUCATIONAL FACILITIES

The Citizens of Southborough can take pride in the exceptional educational facilities which are now available to the children of our town. They stand as a tribute to the foresight of the Citizens.

Again we call attention to the people of the town that the Woodward School Cafeteria and Gymnasium are available to civic groups at any time when not being used for school functions.

For the excellent cooperation that we have received from the citizens of the town and the school personnel, we express our sincere appreciation.

GEORGE W. COLEMAN, Chairman
MARIANNE J. GEARY
PAUL L. WILSON, Secretary

REPORT OF THE

SUPERINTENDENT OF SCHOOLS

To the School Committee and
Citizens of Southboro:

It is not surprising, in view of the world-wide population explosion, and more particularly, the rapid expansion in suburban populations in Massachusetts, that the provision of adequate school housing facilities should have been an all-engrossing problem for public schools here over the last decade. It appears that this same trend will continue for some time to come. In consequence. a major portion of this report will be devoted to a discussion of present housing needs as well as some mention of current curriculum concerns and certain needed special facilities.

HOUSING OUTLOOK IN 1960

With the opening of the Algonquin Regional High School in September 1960, it was possible for the community of Southboro to look back with some satisfaction upon an important job well done. Every indication points to the fact that Algonquin was well and adequately planned, competently staffed, and invested with an excellent forward-looking educational program. Most fortunately, there is reserve housing capacity at the new high school which should take care of growth problems for approximately ten years. The fine salary schedule offered at the Regional High School has made it possible to staff the new building with an unusually competent faculty. There is every reason to expect a generous return in educational dividends to our young people from the investment of the community in the welfare of its teenage youth.

Our community is faced, however, with an immediate shortage of space for its junior high school young people and will shortly be faced with insufficient elementary school housing as well. We have at the present time three classrooms per grade, or eighteen classrooms in all, available for

the use of the elementary schools, grades one through six. Since one classroom will accommodate only thirty children adequately, it becomes clear that we have basic housing for ninety children per grade in the elementary division. Enrollment in the first grade has already passed beyond the ninety point. By 1965, we anticipate the probability of entering grades of approximately 120 children. If the present growth trend continues or accelerates, it would appear that between twelve and eighteen additional elementary classrooms would be needed to take us through the year 1970.

There is, unfortunately, an immediate shortage of space at the junior high school level for grades seven and eight. The Woodward School contains only four basic classrooms, exclusive of special laboratories, for use of the two junior high school grades. It is quite obvious that difficulties arise when we attempt to place three rooms of sixth graders in two seventh grade rooms. Temporary relief will be obtained for 1960 by converting the auditorium-gymnasium at the South Union School to temporary classrooms, thereby handicapping the program at that school but, nevertheless, making two more classrooms available. This problem is of immediate concern and should be met by prompt action by the community. The attention of the reader is respectfully directed to the report of the special committee appointed at the town meeting in 1959 to study long-range school housing needs and to present recommendations to the Town in 1960. The proposal of this special committee that eight roams be added to the Woodward School, four on the junior high wing and four on the elementary wing seems to be entirely sound and worthy of the prompt support of the Town. It would appear possible that the Albert S. Woodward School may need to be devoted exclusively to junior high school use in the future if the Town grows at a rapid rate. This would automatically imply the construction of additional elementary schools strategically located throughout the rest of the Town to serve its elementary population.

CURRICULUM STUDY

In order to meet constantly changing educational needs, the curriculum of any school system needs to be under constant revision, modification, and improvement. During the

next year or two our faculty is planning to review very carefully and thoroughly its curriculum plan for both elementary and junior high school grades. Methods in the teaching of reading and spelling, particularly, are receiving careful scrutiny with a view to improvement. It is time that our system for reporting to parents on the progress of their children be reviewed and modified in the light of the experience of the last ten years and in relation to the new educational program at Algonquin. The public can feel secure in the knowledge that the devoted teaching staff which serves us so well will approach this task with enthusiasm and skill. The results of this curriculum study will be obvious to all as they are gradually put into effect.

"SPECIAL PROBLEMS"

With the possible addition of several rooms to the Woodward School it will be more important than ever that the matter of adequate play facilities for school children at that building be given consideration. While the Woodward building is carefully planned and adequate to its task, it is unfortunate that the topography of the grounds is such that there is very little level play area, with the single exception of Choate Field, for the daily use of the several hundred children which use the building. Under present conditions, if Choate Field should be used for basic play area, the turf would be destroyed in a very short time and it would no longer be useful as an organized athletic field. This shortcoming will become even more troublesome if an addition to the building should increase the student body by 240 children. It is hoped that the public will lend its support to the development of the so-called skating rink area into a condition where it may be used during the spring, summer, and fall months for organized play activities such as outdoor basketball, volleyball, and similar games. Some terracing of the grounds to the east and north of the building would also be most desirable to provide free play area for the younger children.

There is, we believe, real need to provide acoustic treatment for the ceiling of the cafeteria at the South Union School. This room has a low ceiling and the volume of noise present at mealtime with the present student body tends to

be oppressive. With he planned increase in the student body the noise factor can very well become intolerable. Provision for correcting this situation has been made in the budget.

It is important that we do not lose sight of more significant values in the school situation during the time of effort to provide needed additional school housing. I wish to express my deep personal appreciation and, I am sure, that of the entire community, for the quiet devoted daily care which is exercised by our teachers in meeting the in-individual needs of each boy and girl Southboro is indeed fortunate in having so dedicated a faculty.

Respectfully submitted,

ROGER K. POOLE,

Superintendent

REPORT OF THE SCHOOL STUDY COMMITTEE

SCHOOL HOUSING NEEDS

The School Study Committee was instructed to study the present and future school housing needs of the Town. The Committee has reviewed the fast growing population trend in Southborough over the past five years and its impact on classroom needs. New home construction combined with a high birth rate have both set new local records for 1959. We believe the population of Southborough will continue to grow and our classroom needs will continue to increase.

National census reports predict a 25% increase in the number of children of school age in the next ten years. Our Southborough school census figures in 1959 show a 10% increase in one year. A recent Boston Economic Study Group estimates a population increase of 1200 persons for Southborough in the next decade. This increase would mean about 270 new homes and 675 children. Our Committee estimates a minimum of 500 new homes will be built in the next five years with a resulting population increase of 2200, including 1200 children, within ten years. These estimates all show a definite trend towards a much larger population, increased school enrollments and classroom needs.

Classroom space in the South Union School, the Annex and the Woodward School will be completely filled by September, 1960. New classrooms for both elementary and junior high pupils — wil lbe urgently needed by September, 1961.

The study committee has considered two plans to provide necessary classroom space. First, to build a new ten-room elementary school at an estimated cost of $550,000 less about $180,000 state aid for a net cost to the Town of $370,000. The second plan, to build an eight-classroom addition to the Woodward School — four elementary and four junior high roms — at an estimated cost of $187,000, less state aid of approximately $62,000, for a net cost to the Town of $125,000.

The present Woodward School facilities of gymnasium, cafetorium, administrative offices and heating plant were originally designed to accommodate added classrooms at a minimum cost. The estimate includes the complete cost of the building: construction cost, architect fees, equipment and contingency.

The Committe unanimously recommends that the Town build an eight-classroom addition to the Woodward School, to be completed by September 1961, as the most practical and economical plan to provide additional classroom space for the immediate future.

In conclusion, the Committee studies indicate the probable need for one new twelve-classroom elementary school to be completed by 1966. A second new elementary school may be required by 1970 if Southborough continues to grow at a rate faster than 100 new homes each year. We strongly recommend to the Town that new school building sites be chosen without delay and be acquired by the Town.

THE SCHOOL STUDY COMMITTEE

HENRY D. BALDELLI	MRS. WARREN J. GEARY
HAROLD A. BAULD, Ch.	RAYMOND L. HILLIARD
PHILIP C. BEALS	FRED J. QUINN
GEORGE W. COLEMAN	PAUL L. WILSON

PETERS HIGH SCHOOL

The Committee has considered the suitability of further use of Peters High School as a school building. Two architectural firms were requested to examine the building and give estimates of renovation costs. This was done by Alderman & MacNeish who designed the Algonquin Regional High School and by Rich & Tucker Associates who designed the Woodward School.

The building was found to be in need of extensive repairs. Heating, wiring, roofing and flooring would all have to be replaced plus extensive plumbing. In addition, new

sewage facilities would be needed. It was recommended that the third floor, now unuseable because of state fire laws, be removed. The lower cost figure for renovating eight classrooms was $200,000 with the second firm estimating $232,000.

Eight modern classrooms can be added to the Woodward School for $187,000 less approximately $62,000 state aid with a net cost to the Town of about $125,000. State aid would not be available if Peters High School was renovated because the School Building Assistance Commission has stated that the site is totally inadequate. The building would not be fire resistant nor well planned for efficient school use. It would still be an old building with limited years of use.

The Committee unanimously recommends that Peters High School be abandoned as a school building.

The Committee then considered repairing the building for use as town offices. It was estimated by the engineers that the cost of renovating the first floor would be approximately $130,000. It is the opinion of the architects and the committee that a far more practical building for town offices could be constructed for a lesser sum.

It is the conclusion and unanimous recommendation of the study committee that the Peters High School building should be razed and the site be graded for school use.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Northborough and Southborough:

The opening of the Algonquin Regional High School makes the 1959-1960 academic year a significant one in the history of education for the towns of Northboro and Southboro. For the first time, our communities have ample facilities for carrying out the varied and complex educational objectives of our present high school system. Moreover, our new regional school provides adequate facilities for anticipated growth for many years to come.

The educational program, which has been carefully planned and is now being so admirably executed, is designed to take care of the student who will terminate his formal education in high school, whether it be by desire or special circumstances, as well as providing the advanced courses and equipment needed for preparing students hoping to enter colleges and technical schools in this age of rising educational standards and increasing requirements. In addition, our new school also provides the facilities for satisfying the cultural and social needs of the students, through both course work and extracurricular activities.

Another less tangible but nevertheless important factor which has resulted from the opening of the regional school is the stimulation and enthusiasm it has fostered in both students and teachers through the provision of cheerful surroundings and adequate equipment.

Finally, it is the hope of your School Committee that the Algonquin Regional High School will serve as the focal point of community activities for both Southboro and Northboro. The auditorium, gymnasium, dining facilities and a number of classrooms will be available for use by civic and community organizations, and for adult education courses.

Respectfully submitted,

ARTHUR E. MARTELL, Chairman
PAUL L. WILSON, Secretary
GEORGE W. COLEMAN
HARRY A. DOW, JR.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and the Citizens of Northborough and Southborough:

Algonquin Regional High School began its existence in September 1959 under unusually fortunate circumstances. Public support for the project right from the start had been strong and consistent. An enlightened understanding of what was needed by the Regional School Committee, based on previous experience in the operation of public high schools, set the stage for a truly unusual cooperative effort. Committee, architect, educational consultant, and professional staff worked together throughout in full harmony of purpose. The result is a classic demonstration of what cooperation can achieve under the best conditions. The building is well built of high-quality materials and should, in the long run, prove relatively inexpensive of maintenance. Every needed facility for a complete high school program is here. No facility is included in the building which is not justified by actual need. No area in the building, with the single exception of the auditorium, should be used less than eighty percent of the time when the building is at capacity enrollment. This is a relatively high efficiency for an educational building. The educational program for the school was carefully worked out in detail by the School Committee long before the architect first set pencil to paper. Since the plant was planned to fit a specific educational program, it is not surprising that the school program got under way this fall with very few difficulties to surmount. The problem of scheduling the school was made considerably more difficult by our established policy of offering all courses at three different levels of ability. This problem was handled skillfully by the building administrators and a minimum of conflicts resulted.

The Regional School Committee was insistent that the teaching staff be consistently of the highest caliber. Two basic steps furthered this objective. A truly adequate salary schedule was authorized for the faculty. Secondly, only the best of the teachers from the two small high schools were retained for the regional staff. The standard for selection of new teachers was kept consistently high. The community has every reason to expect superior performance from the Algonquin faculty as it becomes integrated in its operation.

Possibly the most heartening factor in the whole situation was the response of our young people. Almost without exception, they rose to meet the challenge of a superior school situation in a superior way. They are working what is possibly the longest school day in a public school in the State. Without pressure from the faculty, they have automatically responded by doing what has been for them an unusual amount of home preparation and have done it reasonably consistently. The respect which they have spontaneously given to the fine faculty and physical plant and equipment is daily justifying our faith in them.

All in all, participation in the Algonquin Regional High School project, from its inception, has been a thrilling experience, and we believe one which will grow even more rewarding as the years go by. Every member of the staff—custodians, teachers, cafeteria workers, administrators—is deeply aware of the challenge which the situation presents and is giving his or her best to the full development of the school's potential usefulness. A kindly Providence has smiled on each and every activity the school has undertaken so far. We are all both humbled and encouraged by our initial success. At Algonquin we shall strive in the future, as we have in the past, to build a tradition of the best.

Respectfully submitted,

ROGER K. POOLE,
Superintendent

REPORT OF THE PRINCIPAL

Mr. Roger K. Poole
Superintendent of Schools
Northboro-Southboro Regional School District
Northboro, Massachusetts

Dear Mr. Poole:

I hereby submit my annual report for the year 1959.

ENROLLMENT

On September 11, 1959 the Algonquin Regional High School was officially instituted with an opening day registration of 444 students—273 from Northborough, and 171 from Southborough. The enrollments by grades was as follows:

Seniors: 82	Sophomores: 113
Juniors: 109	Freshmen: 140

ORIENTATION

Both staff and student body found awaiting them a beautiful modern plant with excellent facilities for every activity in a complete high school program.

A three day orientation period for the teaching staff was held to thoroughly indoctrinate the personnel with the educational philosophy we hope to inculcate into our newly founded institution.

PHILOSOPHY

Educators and laymen generally agree that education's first goal is the development of the individual to discover, to train, and to use his talents for the highest self-realization and for the welfare of man.

Therefore, all curriculum offerings and activities are for this purpose. To do these things, our school must teach the fundamental skills, offer a rich and varied program, shape the work to meet students' abilities and needs' and cooperate with the home and community in helping students acquire emotional stability and social adjustment.

CURRICULUM

To achieve its goal of meeting individual differences of need and ability, Algonquin Regional High School offers:

Honors courses for advanced college preparatory and high ability students.

Standard courses for students of normal ability.

Practical courses for students who experience difficulty in academic achievement.

In the six major fields of academic preparation (English, foreign language, mathematics, social studies, natural science, and business), there are 15 **honors**, 12 **practical** and 63 **standard** classes offered this year. As the enrollment increases, proportionally the opportunity for special classes for the highly gifted and remedial groups will increase appreciably.

Students in the **honors classes** have been provided an opportunity for an enrichment of study in the basic cultural areas.

Students in the practical classes have been provided an opportunity to participate, achieve, and to gain recognition. First term report card grades were most encouraging in this respect for students in the practical sections. Previously a report card mark above D grade was the exception rather than the rule for this type of student.

The laboratory method of teaching foreign languages has become generally recognized as a recently developed technique which has contributed greatly to the increased interest and proficiency in this field of learning. Algonquin is receiving state-wide recognition for its offering in this field with a fully equipped 25 student Station laboratory.

LIBRARY

A professionally trained school librarian is available on a full time basis to assist students.

Volumes in Library

As of December 31, 1959 the school library contained 3,675 volumes.

Reference Books	253 (including 8 sets of encyclopedia)		
Professional Books	61	Periodicals:	55
Fiction	835	Newspapers:	3
Non-Fiction	2,526		
	3,675		

ACADEMIC ACHIEVEMENT

To further stimulate the desire for achievement and recognition, the Academic Achievement Society has been organized. Students gaining honor roll status are inducted at an appropriate assembly program after each marking period.

IN-SERVICE TRAINING

The great appeal to-day is for quality in education. Our teaching staff, which has been organized on a departmental basis, keeps this need and mind as a foremost objective in the development of our new curriculum. In-service training is a component part of a regular program with faculty meeting being held weekly on Monday afternoon.

CO-CURRICULAR PROGRAM

The co-curricular program of activities at Algonquin is varied and quite complete in its scope.

A daily activities period is provided during the last hour of the school day. Thus far, clubs and organizations have been set up as follows:

Band	Yearbook	Rifle
Glee Club	Class Play	Camera
Student Council	School Paper	Hobby
Nat. Honor Society	Art	Chess
Library	Radio	Science

Also school assembly programs are held two times monthly. The Robinson Memorial Fund of Southboro is underwriting the expense for a series of scientific and educational programs at some of these assemblies. We wish to publicly express our appreciation to Mrs. Helen Burnett and Mrs. Cameron Bradley, trustees of that fund.

SCHOLARSHIP AWARDS

We are also indebted to this same trust for scholarship awards to be presented at graduation exercises—a total of $500.00 to be granted to Southboro residents. For the past ten years Robinson scholarships of $250 each have been awarded at Southboro to the boy and girl with the highest scholastic records (combination of four year average with C.E.E.B. aptitude test scores). These will be continued at Algonquin.

Eventually, it is hoped that we may interest some organization in the community of Northboro in sponsoring awards of a similar nature for its graduates.

CONCLUSION

Serving as administrator of Algonquin Regional High School, during this year of organization, has been a once-in-alifetime type of opportunity that few educators are ever privileged to experience.

With respect to its plant, program and personnel—Algonquin is ideally equipped to incorporate the recommendations outlined by Dr. James B. Conant in his report entitled "The American High School Today."

Already we have made tremendous progress in that direction.

Respectfully submitted,

JAMES A. HIGGISTON,

Principal

SICK LEAVE—In case of personal illness, or death in the immediate family, husband, wife, father, mother, sister, brother, son or daughter, each teacher shall be entitled to ten school days of sick leave without loss of pay which shall be cumulative up to thirty days in a three-year period. Deductions for absence because of sickness beyond the period of sick leave, or for other causes, shall be computed at the rate of one one-hundred-eightieth of the annual salary for each day.

TERMINATION PAY—In the case of a teacher whose services terminate at any time during the school year, the remuneration shall be adjusted in the same proportion to the total salary as the number of days actually taught bears to the number of school days in the school year.
